How to earn 50% affiliate commission when selling the Red Sea Snorkeling eBook guide

1. Make an account with Gumroad at www.gumroad.com

You need to have an account with Gumroad in order to become an affiliate. It is Gumroad that handles all the technicalities, to ensure that you are rightly registered for the sale. They are also responsible for transferring the money you earned to your account.

It is absolutely free of charge to create an account with Gumroad.

2. Go to <https://redsea-snorkeling.gumroad.com/affiliates> to request becoming an affiliate

To earn 50% commission on every sale of the Red Sea Snorkeling Guide, you will need to request becoming an affiliate. Use the link <https://redsea-snorkeling.gumroad.com/affiliates> and fill in your email address used when creating the Gumroad account. You will see, that the Red Sea Snorkeling Gumroad account belongs to **dlibjerg**.

3. Start promoting the Red Sea Guide

Once you are approved as an affiliate, you get unique product links to the sale of the guidebook you can use on your website, in Instagram or other social media to promote it. When your customers use your link, you earn the commission.

You can also generate your own QR code based on the unique product link and replace the default QR code you see on the promotion sheet.

You can create the QR code on different websites for free - e.g. at:

<https://new.express.adobe.com/tools/generate-qr-code>

<https://www.the-qr-code-generator.com>

Print the QR code and stick it onto the promotion sheet (or print a new version of the entire sheet with your own QR code).

Print and replace the QR code
